09. Excellence in Business in the Manufacturing and Marine Industries - Small Business

This award recognises a small Northern Territory business operating in the Manufacturing or Marine sectors that has demonstrated excellence, innovation, and continued success in their field. The category highlights businesses that play a key role in industry development and contribute meaningfully to their community, workforce, and local economy.

Eligible businesses must have fewer than 20 employees and have been operating continuously for at least 12 months at the time of nomination.

Please note: Government agencies are not eligible for this category.

Examples of eligible achievements may include (but are not limited to):

- Production or engineering excellence
- Specialisation in regional or remote manufacturing
- Marine servicing, fabrication, or vessel operations
- Innovation in process, product, or systems
- Community or industry partnerships
- Strong environmental and sustainability practices
- Workforce development and training programs

Entry Criteria

Entrants are required to demonstrate their achievements over the past 12 months in the following areas:

- Continued business growth and resilience in the manufacturing or marine industry
- Innovation in products, technology, systems, or service delivery
- Demonstrated quality and value in product or service offerings
- Environmental sustainability and responsible business practices
- Community engagement or contribution to local capability
- Industry leadership and professional expertise
- Presentation, branding, and business visibility

This is a self-nomination category.
