## 13. Business Excellence in Logistics and Supply Chain

This category recognises a Northern Territory business or organisation that has made a significant contribution to the development, support, or success of the supply chain. From logistics and freight to compliance, coordination, and export readiness, this award celebrates those ensuring Territory goods and services reach markets across Australia and the world efficiently and competitively.

### **This category is open to businesses or organisations who have:**

- A registered ABN and a physical presence in the Northern Territory
- Been operating for a continuous period of at least 12 months
- A demonstrated role in the supply chain (e.g. transport, warehousing, customs, compliance, freight forwarding, trade logistics, supply chain planning or coordination)

Government agencies are not eligible for this category.

### **Entry Criteria**

Entries should demonstrate their contribution over the past 12 months by addressing:

- Contribution to the NT economy — how the business has strengthened the supply chain to support economic growth or opportunity in the Territory.
- Efficiency and reliability — proven success in delivering high-quality, timely and cost-effective logistics or supply chain services.
- Innovation and continuous improvement — initiatives or approaches that improved processes, reduced risk, or added value within the supply chain.
- Support for Territory industries — how the business has enabled other NT industries or sectors to succeed through its supply chain services.
- Collaboration and partnerships — evidence of effective coordination with clients, suppliers or partners to achieve strong outcomes.

### **This is a self-nomination category.**
