10. Excellence in Business in the Manufacturing and Marine Industries - Medium & Large Business

This award recognises a medium or large Northern Territory business in the Manufacturing or Marine sectors that demonstrates consistent business success, innovation, and industry leadership. It celebrates organisations that drive economic impact, uphold high standards of service or product delivery, and contribute to the local workforce and community.

Eligible businesses must:

- Have more than 20 employees
- Have been operating continuously for at least 12 months
- Hold an active ABN and maintain a physical presence in the NT

Please note: Government agencies are not eligible for this category.

Examples of eligible achievements may include (but are not limited to):

- Manufacturing excellence, engineering innovation, or marine servicing solutions
- Export capabilities or expansion into new markets
- Sustainable production processes or waste reduction efforts
- Industry partnerships, supply chain capability building or workforce development
- Integration of advanced technologies or digital transformation
- Excellence in workplace culture, safety and staff engagement

Entry Criteria

Entrants are required to demonstrate their achievements over the past 12 months in the following areas:

- Strong business performance and long-term sustainability
- Innovation in production, processes, or service delivery
- Contribution to local employment and skills development
- Environmental sustainability or responsible operations
- Engagement with community, clients or industry partners
- Professionalism, branding and market positioning
- Leadership in advancing the manufacturing or marine sectors

This is a self-nomination category.

Nomination Questions

Tell us about your business, including the products or services you offer, your core area of expertise within the Manufacturing or Marine sector, and how your operations contribute to the Northern Territory's local economy and community.

How have you contributed to your industry sector capability – eg. Perhaps through new technology or staff training?

How have you been able to lift other businesses in the Territory to grow with you? Eg. Through pathways such as partnerships or consortiums, mutual support for on demand capacity, or integrating methodologies between companies to increase efficiency in delivery etc.?

How have you worked to increase safety in your sector?

How did you demonstrate best practice in some or all of the following areas?

- Community engagement
- Environmental considerations
- Sustainability
- Value for money
- Diversity
- Innovation
- Quality of service or products
- Expertise in your field of business
- Presentation (branding, staging, appearance)

What significant challenges has your business overcome in the past year and how have you managed the impact of these challenges?
